**No drop off NO PROBLEM!** Follow the simple steps below to ship your shoes at NO cost to you through our amazing partnership with Zappos. **In Canada?** We have you covered! Go [here](#) to learn how to deliver your shoes from Canada.

## How to Ship to Soles4Souls via Zappos

Follow the steps below to download a FREE shipping label:

- 1 Find a box to ship the shoes! Any sturdy, cardboard box will work.
- 2 Go to the S4S Zappos page [here](#). Scroll down until you see the 'Donate' section. If you are not logged in, click on the 'Login to Print' button. You may login with your Zappos account. If you don't have a Zappos account you can simply create one.
- 3 Once you're logged in and the page refreshes, scroll down and click on the button that says 'Print Soles4Souls Label'. **NOTE:** If you require additional labels, no worries! Simply refresh and continue printing as needed.
- 4 The button will then say 'Loading Print Label' and your label will automatically load in a new browser window that you will be redirected to. Be sure that your pop-up blockers are turned off in order for them to show up!
- 5 Print and attach the label to your box and drop off at any UPS Store to ship the shoes to Soles4Souls! You must print a new label for each box. Each box must weigh less than 50 pounds. **NOTE:** All labels will say they are 2lbs – Don't worry! This will be adjusted at your local UPS.
- 6 Don't forget to fill out your [digital donor form](#) before you ship. Otherwise, we won't be able to confirm your donation. Thank you!

*Because of the magnitude of donations we receive from individuals and how they are received in our warehouse where there is limited capacity, we operate on an honor system. The digital donor form acts as proof of donation. When that form is filled out, there is a box that must be checked that promises that the donation amounts reported in the form are accurate to the best of your knowledge. This is how Soles4Souls documents proof of donations. If you would like to confirm your donation has arrived through Zappos, please document the tracking number to see when it arrives at the facility but our teams are unable to confirm that the donation was received and the specific quantity.*
