

Ten2Travel

Are you collecting shoes and ready to level up your shoe drive? This is the program for you! With the Ten2Travel program, you'll work closely with our team to collect shoes inside of your community, 10,000 to be exact, to help create opportunities for those in need while earning a free spot on one of our global experiences!

- Collect 10,000 pairs of gently worn shoes within one calendar year!
- We are here to help make this happen! We will assist in finding storage, marketing, the whole shebang. Once 10,000 pairs are collected, we'll send a truck to pick up the shoes!
- Once we verify the shoes, you'll be connected with our Travel team to schedule your free spot on a global experience (must be taken within 1 year of earning; in country lodging, food, excursions, and security all included, excludes airfare)

Give 4 A Purpose

- See firsthand how shoes create opportunity for children and families
- Explore your own purpose and values
- Be inspired by passionate leaders
