

## SUPER TEAM

**Race4EveryKid** is a virtual movement challenge to raise funds to provide shoes to kids experiencing homelessness. Race4EveryKid offers a valuable opportunity for meaningful employee or member engagement while showcasing your organization's commitment to the wellbeing of children, families and communities.

### Join Race4EveryKid as a Super Team!

A **Race4EveryKid Super Team** is led by a Champion and consists of multiple teams, each with their own team captains. While all the funds raised will support the Super Team's overall fundraising goal, this model encourages friendly competition and recognition between internal teams. It is a great way to involve employees from different departments or locations, encourage movement and camaraderie, and give back in a fun and meaningful way.

### Select a Super Team Champion

The **Super Team Champion** leads your organization's participation in **Race4EveryKid** and is an excellent professional development and leadership opportunity for a well-respected, dynamic, and committed member of your team.
