4RELIEF

Soles4Souls helps get new shoes and clothing to people in crisis, freeing up financial resources they can use toward other needs.

We assess the need and act after first responders.

Our global experiences have led 231 trips to deliver new shoes to people in need around the world.

In the past three years over 390K pairs have gone towards disaster relief.

We have served over 4 MILLION people with new coats, socks, undergarments and accessories through partners like Macy's, Bombas and ThirdLove.

In the year 2022 alone, 29,440 pairs of shoes, 100,807 articles of clothing, and 107,011 socks and undergarments went to Ukraine relief.

"Prior to selling shoes through Soles4Souls, I was unable to care for my family. One pair can help me send my kids to school, help feed my family, and bring joy to my kids and husband. I, and other women like myself, have been able to regain control of our lives."

- Ginette, Haitian Entrepreneur

4OPPORTUNITY

Soles4Souls sells and distributes shoes and clothing through our international partners to help people build small businesses.

Selling shoes creates small businesses and jobs in developing countries.

That's dollars that stayed in people's pockets!

Creating **\$600,000,000** in Economic Impact

Those businesses and jobs help provide food, education and shelter for entrepreneurs, employees and their families.

4EVERYKID

Soles4Souls partners with schools across the U.S. to get new athletic shoes to children who are experiencing homelessness, eliminating a barrier to educational and extracurricular opportunities.

To date, we have served over 60K students by providing new shoes.

Shoes contribute to the social, physical and emotional health of a child!

Did you know that new shoes have an impact beyond just the feet?

Our partner schools reported a 95% increase in attendance after children received proper footwear.

4 in 5 students reported feeling more equal to their peers after receiving new shoes.

4THEPLANET

Soles4Souls cares for our planet and for people by extending the life of shoes and clothing that might've otherwise been prematurely discarded.

Did you know that globally, an estimated 92 billion kilograms of textiles waste is created each year?

Donating your shoes and clothing reduces their CO2 impact per wear by extending their life at least 15 months.

To date, we've diverted **41.3 MILLION KILOGRAMS** of textile out of landfills.

If the product is beyond use or repair, S4S works with third-party partners to turn this waste into energy.

We are able to upcycle nearly 99% of shoes we receive!

OUR NORTH STAR: \$1 BILLION IN ECONOMIC IMPACT BY 2030.
